

HIGH PERFORMANCE THE WHOLE PICTURE

HIGH PERFORMANCE SCHOOL WORKSHOP

March 23, 2011

Bowling Green, Kentucky

Ron Willhite

SEMP Project Director

Commissioner Holliday's Challenge

“I am excited about the work being done with energy management in most school districts in partnership with the Kentucky School Boards Association. This model is exactly the type of approach that educators can use in other operational processes.”

MORE-WITH SAME OR LESS

- Process Improvements
- Life-cycle analysis

Getting there ...

- Cultural redirection
